

Home Collection Service For Used Motor Oil, Electronics, Household Cleaners, Pesticides, and more.

The Household Hazardous Waste (HHW) program is a convenient At-Your-Door service offered to single family home residents in Wilton Manors for the proper disposal or recycling of home-generated special materials.

Schedule Your Collection

- Step #1:** You must contact **At Your Door** at least 10 days in advance in order to obtain your collection kit and to arrange collection at your home:

- Website: WMATYOURDOOR.COM, or
- Call: 800-449-7587 (Monday-Friday, 8:00 AM-8:00 PM), or
- Email: ATYOURDOOR@WM.COM

An **At Your Door** representative will ask the quantity and types of materials you want collected, so be prepared with this information.

Your collection kit will provide the guidelines for using the **At Your Door** program.

- Step #2:** Refer to the Collection Schedule (shown on reverse) to determine the date you would like to have your HHW collected. Your representative will verify the collection date when you schedule your pick-up.

On Collection Day

- Step #3:** Set your materials on your doorstep or near your garage by 7:00 AM.

If your materials are not collected by 5:00 PM on your scheduled day of collection, contact Wilton Manors by calling (954) 390-2190.

See collection dates and a list of accepted items on Page 2.
